

CRIMINAL DEFENSE SUCCESS STORIES

Below is a partial list of criminal defense clients and cases in which the attorneys at Rush & Gransee successfully represented our clients and have either **OBTAINED A DISMISSAL** of the charges listed below or have **OBTAINED AN ACQUITTAL – WHERE A JUDGE OR JURY DECIDED OUR CLIENT WAS NOT GUILTY OF THE CHARGES**. We have abbreviated the names to protect the identity of our clients and because many of our clients request us to seek an expunction or sealing of their record.

The results of any case depend on the facts of that particular case and every case is different. The cases and successes listed below are not an indication of the likelihood of future success on similar charges, and there is no guarantee of any particular result.
